

LEARN TO MAKE DECISIONS THAT YOU WILL NOT REGRET

Your decisions have built the life you have today

How do you make decisions?

How do you know you are making the best decisions for you?

In this workshop we will talk about the process of making decisions and how to make life decisions that are focused on you.

To participate, remember to sign up and do the preparation work before attending the workshop.

Margarita Lourido,
Doctor in Psychology
and Coach.

"I believe that internationals are high performance professionals, who are giving their best. That is why I help them facilitating their maximum professional and personal development in a balanced life".
